

Market Update

MARKET ALERTS:

May 9, 2018

Cauliflower : Prices are escalated in both California and Mexico. Cooler temps are slowing production down along with a slight change in demand.

Oranges : On the 113's and 138's demand continues to exceed supply. Larger sizes are in good shape. Quality is good. Pricing continues to be high due to short supply.

Peas : Volume is decreasing as we enter into the Guatemalan rainy season.

COMMODITIES ON THE RADAR: Green Leaf | Romaine

If you have any specific questions or concerns on any commodities not mentioned in this report, please feel free to reach out to dforsythe@nproduce.com and we will be happy to give you those current market conditions. Also look for our full Market Report released on Friday and the Spanish version always released the following Monday. Have a great week!
